Education

Calicut University   **Jun. 2021 – Apr. 2024**
Bachelor of Science in Computer Science   *Malappuram, Kerala*

Relevant Coursework

- JavaScript (ES6+)
- Functional Components
- Web Development
- Authentication UI
- Software Methodology
- Figma to Code
- JSON Handling

Experience

Hoztox Technologies   **November 2024 – Present**
Frontend Developer   *Valanchery, Kerala*

- Developed responsive and dynamic web applications using React.js, JavaScript (ES6+), HTML5, and CSS3.
- Integrated RESTful APIs and managed data flow using Redux, Context API, or React Query.
- Built reusable components and optimized performance for scalability and maintainability.
- Used Tailwind CSS / Bootstrap / Material UI to create modern, user-friendly interfaces.
- Implemented form validations, dynamic routing, and user authentication flows.
- Ensured cross-browser compatibility and mobile responsiveness for optimal user experience.

Softroniics   **April 2024 – October 2024**
Full Stack Intern   *Calicut, Kerala*

- Developed and maintained web applications using the MERN stack (MongoDB, Express.js, React, Node.js).
- Assisted in creating RESTful APIs and integrating them with front-end components.
- Supported the team in writing and debugging code, ensuring high-quality and maintainable code.
- Used version control systems like Git for code collaboration and management.
- Helped develop responsive UI components ensuring cross-browser compatibility.

Projects

KM Insurance | *Insurance Web Application*   **March 2025**
JavaScript, React, Tailwind, Express, Node JS, MongoDB

Bank App | *Bank Transaction App CRUD*   **October 2024**
JavaScript, React, Tailwind, Express, Node JS, MongoDB

Clean City Pro | *A Complete Digital Waste Management*   **March 2024**
JavaScript, HTML, CSS, PHP, MySQL, XAMPP

Technical Skills

Languages: JavaScript, C, C++, HTML, CSS, SQL
Developer Tools: VS Code, Eclipse, Android Studio, MySQL Workbench, Git, Figma
Technologies/Frameworks: React js, Bootstrap, Node js, MongoDB, Express js, Tailwind, Postman
